

At Paladar we know that good conversation, food, and beverage all make a great meal. Wine pairs with food. Wine can take the edge off after a long day. Wine enhances our celebrations with friends and lovers. In short, we want you to drink wine when you come visit us! We price it to move! Wine is not an out-of-reach luxury, but a daily part of life. Besides our by the glass selections (which can be found on the back of the food menu) we are stoked to offer our PALADAR PICKS as well as wines from our CELLAR.

PALADAR PICKS is our rotating list curated by our staff. These wines are what we'd be drinking on our nights off. They are value-driven and drinking well right now! Whether you are new to wine or an old hand, there's something for everyone. Full bodied crowdpleasers? Yep! Varietally correct and terroir specific? Yep, of course! Porch-pounders and chilled natty wines? Yep, we got those too! Please ask your server for recs!

In the CELLAR LIST you'll find the reserve wines, the allocated, the esoteric, and the hard to get. Most of these wines have been put down and aged for years. Offering ~~Brunellos when they have at least ten years on them~~ vibes if you catch our drift. Dive in and treat yourself!

Lastly, wines with 🍷 represent wines with a natty or unconventional profile. Read them as: "not your grandma's pinot grigio" and steer clear if that's not your thing.
